NINETEENTH CELEBRATION.

Big Crowd in Town and Big Dinner Enjoyed.

The city was crowded today with negroes from all over the county and from other towns, who were here to celebrate June 19th, Emancipation Day. This is the biggest day on the calendar for the colored population and the various kinds of entertainments are gotten up every year for their amusement and diversion. The entertainment committee was unable to stage the big street parade today as planned on account of not being able to secure a brass band.

The annual big barbecue dinner, to which the white people as well as the colored were invited, was held at the West Side Park at 2:30 o'clock with a large crowd present. Several kinds of barbecued meats were served and the dinner was immensely enjoyed by all who participated.

A baseball game was scheduled for 4:00 o'clock this afternoon at the park between the Hearne and Bryan teams. The two teams are also scheduled to play tomorrow afternoon on the same grounds.

Several of the foremost colored speakers of the city were on the program for addresses today.

A big dance to be held in the park dance hall tonight was also planned by the entertainment committee.

ANOTHER POOL HALL MASS MEETING

F. L. Henderson Elected Chairman of Campaign and Rev. Welch Secretary-Treasurer.

The second mass meeting relative to the pool hall campaign now pending in this city was held at the court house last night and was fairly well attended.

The meeting was called to order by Rev. C. H. Storey, president of the Pastors' Association of this city.

F. L. Henderson was elected chairman of the campaign, and Rev. J. C. Welch was elected secretary-treasurer.

Several addresses in regard to the movement were made by different ones present, and a number of suggestions were made to aid in making the campaign a success.

Rev. M. E. Weaver, W. S. Wilson Jr. and Robert Armstrong, were appointed as a committee of three to appoint a campaign committee, and the names of the members of this committee will be announced later.

POLITICS AND POLITICIANS.

New York City has experts engaged in figuring exactly how much money it takes to run it.

Inclusive of all ranks, 65,000 men are serving in the navy of the United States of America.

China now has 23 foreign advisers to the government, of whom Germany has the largest number, five representatives.

W. Cameron Forbes, former governor-general of the Philippines will head a bird collecting expedition in Central and South America for Harvard University.

Over 125,000 war horses have been bought for export within the past year, and they are now going abroad at the rate of 35,000 a month. England and France are getting the largest number.

One of the latest rumors in connection with the political future of Secretary of State Bryan is to the effect that he will be a candidate for president in 1916 on the Prohibition ticket.

The French military authorities have arranged for real war films to be taken at the front by the big Paris moving picture firms. Some of the pictures will be sold for exhibition abroad as a counter to the German Kinema propaganda, while others will be shown to the public.
